

## **DO YOU CONSIDER YOUR TIME AS A UNIT OF MEASUREMENT ?**

**Hi,**

**Some questions as you put on your thinking Hats:**

**Do you think that this is the RIGHT TIME in your life to Invest in the property we are offering now?**

**Would you and your family mind the TRAVELING TIME to a weekend home away from the chaos of city life?**

**Would your family benefit by spending PEACEFUL TIME in a weekend stay at a beautiful place surrounded with nature?**

**Would your family ENJOY their TIME unwinding with sports and games at a quiet and private place far off from urban life?**

**If you answered YES mostly and can see the value of time spent in Life at a happy home away from home, go for it.**

**Check out your Pay Back Period on the investment you make in our Property in terms of Family Happiness along with Price escalation of the property in future and observe if this investment is fruitful for your family.**

**Is it right Time for you to make a Move?**
